Local Attorney Turns Published Author *‘Tort Wars’ coming to a bookstore near you!*

PORT ST. LUCIE, FLORIDA: Literary lovers of the legal genre will relish ‘Tort Wars’ the newly published page-turner by local attorney Roger N. Messer. Messer, who has been practicing law in St. Lucie County and in Florida since 1977, imparts his years of experience, knowledge of the law, and personal accounts in this new book.

‘Tort Wars’ while a work of non-fiction, is suspenseful and full of twists and turns. It is a true life account of trials and epic battles Messer has taken on over his 46-year career. The book is not just for lawyers, although they will enjoy it; it’s for anyone interested in chronicling a career of service. Messer’s hundreds of clients, including several with desperate need, received justice. The stories in ‘Tort Wars’ are vast and include an account that led to reform of worker’s compensation laws which resulted in justice for generations.

“I wrote this book for my children and grandchildren. I also wrote it for anyone who wonders what is really like to be involved in a court case that includes serious damages caused by death, injury, fraud and a myriad other tort matters.” Messer explained.

Named one of the top 100 trial attorneys in the country in 2019, Roger Messer has been a resident of St. Lucie County for 45 years. He and his son Steven are partners at the firm Messer and Messer Law in St. Lucie West. During his tenure as an attorney, Messer has not utilized advertising to promote his business relying on ethics, experience, and earnest hard work for his clients as his business card.

Messer will be the guest of Unity of Fort Pierce on June 4, 2023 and Twin City Brewery in Chattahoochee, Florida on June where he will discuss ‘Tort Wars’ and offer complimentary signings.
